

EZO South Sudan – Sherborne Deanery Churches Christmas 2025 Appeal

**Last year Sherborne Deanery Churches supplied classrooms
This year it's a whole secondary school – St Paul's School
They have already made the desks - now they need 60,000 bricks!**

This will bring hope to Maku who is an Internally Displaced Person, and he hopes to be President of South Sudan!

And Jocinta who is planning to be a Nurse when she has finished her secondary education

**Every brick
donated costs just

10p

How many can you
give?**

The Community makes the bricks themselves as well as constructing the desks.
Under the leadership of Bishop Isaac, hundreds of children are gaining a primary education.
The secondary school will give hope to many more.
